

Dear Nigel and Tony,

Thank you so much for making Bridge ♣! Ever since we were **ALERT**-ed to the ♣, you've delivered in ♠s.

Like a ♦, your knowledge is ancient and precious.

It's a shame it has to end, but we'll never **STOP** playing bridge. You always made it **X** the fun!

In an ever-changing political climate, you been there through the ages of Trump and no Trump.

Bridge will forever be in our ♥s.

With our warmest thanks,

Josh "Redouble" Robey, Zach "Karborough" Yarrow,

Louis "Sacrifice" Southwell, and Freddie "Finesse" McCallum
