English Bridge Education & Development (EBED) is the national charity for the promotion and development of duplicate contract bridge. The English Bridge Union (EBU) is the national governing body for duplicate contract bridge in England

The Junior Award Scheme is designed to allow the participant to develop their problem solving and teamwork skills, through the fun and stimulating game of bridge.

For further information, please see

www.ebedcio.org.uk/junior-award-scheme

To register your successful completion of this award level, please provide the requested information in the appropriate space alongside and return the card to the address above. You will then be sent a certificate in recognition of your achievement.

By providing your date of birth field you are consenting for the student to be enrolled as a **free** Junior member of the EBU.

Completion of the e-mail field indicates consent for the student to receive e-mails from EBED with information on EBED events and activities.

EBED and the EBU will never pass on your personal details to any third party.
