

EBED acceptable use statement

English Bridge Education and Development (EBED) understand the importance of new technology for children and young people’s development. However we recognise that relevant safeguards need to be put in place to ensure children and young people remain safe whilst online or using social media.

We ask that all parents / carers spend a few minutes to read through and discuss this statement with their child/children and then sign and return this form to the EBED designated Safeguarding Officer

- I will be responsible for my behaviour when using the internet and social media at an EBED event, including the content I access and how I conduct myself
- I will not deliberately create, browse or access material that could be considered offensive or illegal. If I accidentally come across any such material, I will report this to a member of staff.
- I will not use social media or the internet to send anyone material that could be considered threatening, offensive, upsetting, bullying or illegal.
- I understand that all my use of internet and social media is potentially visible to everyone in the online world and that any issues involving my behaviour may be addressed by my coach/teacher or other staff members at EBED.
- I will not give out any of my personal information such as name, age, address or telephone number online.
- I will not share my passwords with anyone else.
- I will not arrange to meet someone that I have met online unless accompanied by a member of EBED staff or parent/carer.
- I understand that these rules are designed to keep me safe and if they are not followed my parents/carers may be contacted.
